As a member of the [Alberta Professional Outfitters Society](#), we run an honest camp and believe in following the game regulations and the rules of fair chase and sportsmanship. We are licensed as per the regulations of this province, and are insured and bonded to protect our clients and their deposits.

Our first concern is always to the safety, comfort, and enjoyment of our clients. Our beautiful and modern lodge is only the beginning of a trip you'll never forget.

Our camps are always clean, as comfortable as we can make them, and supplied with good food and lots of it. Our professional staff is friendly, courteous, and knowledgeable about their work.

Before you book a hunt or fishing trip with anyone, always check into the true total cost of the hunt. You will not have any hidden, unexpected, or additional fees when you book a trip with us.

If, from viewing our website, you are interested in any one of the trips we offer, click on the "Request Info" button to the left, and provide the necessary contact information. We look forward to hosting you on your trip of a lifetime.
